

LAUGH. LOVE. JOY.

# ARTISANS. FARMERS. REAL.

## Market 42 is a new, premier food hall bringing farm-to-table, artisanal products and experiences.

Designed to provide a wide variety of ethnic and culinary diversity, yet be easily navigable, Market 42 will feature merchants offering the finest meats, seafood, dairy, cheese, ready-to-eat offerings, baked goods, gifts, flowers, groceries and more.

While other food halls are wedged into downtown areas and surrounded with little ambiance beyond the walls of the market, Market 42 is different. The market is nestled in an area where the beauty of nature is right outside our doors. Guests can take a walk on the nature path and settle in for an event.

Located just 20 miles southwest of Cleveland, Brunswick is a flourishing community and easily accessible by Interstate 71 and other major thoroughfares, enabling the market to be successful for all involved.

IT'S THE PLACE TO BE TO MEET PEOPLE.
